

SLBICOA Fire Committee Report Sept 2021

Activities

Our meetings have been disrupted by covid restrictions however we have done our maintenance tours spring and coming up this fall. There was an issue with the maintenance tour last fall and as since been corrected however some discussion is required to prevent a reoccurrence.

Financial

Fire Committee

Capital		400.00
----------------	--	---------------

1-Jan	200.00	600.00
-------	--------	--------

1-Jan	19.86	619.86
-------	-------	--------

Maintenance		200.00
--------------------	--	---------------

trailer ins	95.00	105.00
-------------	-------	--------

gas for trailer	29.16	75.84
-----------------	-------	-------

Anti-freeze	26.82	49.02
-------------	-------	-------

1-Jan	200.00	200.00
-------	--------	--------

Ins./Mar 10	85.00	115.00
-------------	-------	--------

Some initiatives identified. 1) motion to have annual spring cleanup to build on this years efforts brought to annual agm with funding earmarked from annual budget.

Location designated for trash collection for north end / island cottagers. This involves co-ordination with SD and north end crew.

Some mods to the large fire pump electric start system to make it more user friendly.

Complete report to be submitted to Firesmart Canada by Oct 1 2021.(In process)

We are always looking for volunteers for our maintenance tours
any help is appreciated
